TASK 1 (12 marks)

Write about 200-220 words following the instructions.

MARK

The recommended time for this task is: 35 minutes

Your local authorities have decided to reopen an adult education centre in your district which closed down last year.

YOUR OPINION MATTERS

ADULT CENTRE REOPENING SOON

With the facilities out of use and the staff fired, closing down the centre has undermined the opportunities for adults in the area to follow courses and activities of their interest.

You were enrolled in this centre and now the local authorities have made a public call for suggestions on their website: info@adultcentre.com.

Write an email to the local authorities including suggestions for improving the service and a course of action for effective management of the adult centre.

**Use the space below to note down and organise your ideas.
These notes will not be marked.**

Research is being done on equal opportunities for men and women using several factors as indicators – among them knowledge, employment, and pay. At *The European Magazine* they are of the opinion that Europe's future is directly linked to overcoming gender inequality.

Write **an article** about equal opportunities for men and women in your country describing the existing situation, and what changes have taken place in recent years referring to the indicators mentioned above.

OPTION B

In his book *Generation X*, Canadian artist and novelist Douglas Coupland examined 21st-Century modern life only to see that "people in 2001 looked exactly like the people in 2012". Yet, what seems to have changed is not the way we look; rather, it is the way we look at the world through the screen of an electronic device.

Write **an opinion essay** to express your views on the changes that have taken place worldwide over the past fifteen years in such domains as work, technology, and society.

**Use the space below to note down and organise your ideas.
